Dance Program FAQ's

Q: Why do the students have to take a placement audition?

A: To ensure that every student gets the best training to reach their full potential as an artist, it is very important that dance students be placed in the appropriate levels to take full advantage of our programs.

Q: Why are some classes during the week and others are on Saturday?

A: For the best well rounded training, we recommend that students take more than one class a week and spread these classes over weekdays and weekends. The body responds faster with rigorous consistent classes.

Q: If I am only taking African, Hip-Hop, or Tap must I still take the placements classes?

A: No. Placement classes are for students taking ballet and modern OR ballet and modern with an elective like African, Hip-Hop, Tap, or Musical Theatre Project.

Q: Is there an audition for the Musical Theatre Project?

A: Yes. Auditions will be held for the Musical Theatre Project at the end of dance placement classes. Students interested should arrive on the appropriate day and time and be prepared to sing. No preparation necessary. Students will be taught vocal exercises as part of the audition.
